Gary – Sorry – I just realized, I sent the wrong date. I meant next Thursday, April 4th. Can you folks do that? I apologize for the confusion. I need to apparently work on my calendar skills...

David,

OK, Thursday 3/28 will work. Please send an invitation to Stephen Ellis @ TCEQ, Phil Turner, Barry Forsythe, & myself; either morning or afternoon are OK, except not around 11 to 1.

Thanks,

Gary – As we have discussed, we would like to schedule a WebEx meeting with you to provide a preview of the remedial alternatives we are considering for the San Jacinto Feasibility Study. Are you available on Thursday, March 28th for that type of meeting? If so, would anyone else from EPA be participating in the meeting? We would like to keep this initial meeting fairly small if possible.

Thanks,
David
